Script: Scenes 1 through 7 were taken from the “How the Grinch Stole Christmas” (2000) movie with slight variations and some N2 Dance personalization. Scenes 8 through 10 were taken directly from the Dr. Seuss Book. We typically write our own script but felt it would be fun to honor these two great Christmas classics.

It has been a very interesting semester: changing locations, cutting out classes, limiting enrollment, students arriving with masks, no hugs :(, remaining 6 feet apart, lots of handwashing, sanitizing, being flexible to last minute changes, and creatively trying to work around obstacles. When we started this semester we were unsure if we would be able to complete this semester much less finish off with a live show. We have had so much fun preparing this show and we hope that we have brought a little bit of Christmas joy into your life. Mahalo ke Akua!
